Last week Tom Van Der Hout interviewed Laura Freedman and Ashley Flukinger.

We learned what college has the best football team! We also learned their backgrounds and why they are in the Seaside area. We had lots of laughs and we had a great time getting to know some of our fellow Rotarians better!

The Fundraising Committee met at the Astoria Golf Club. They worked on planning out the newest fundraiser. Don't miss out on the fun! Stay tuned for the next meeting.

It has been neat to read how connected Dolly Parton was to Rotary. She even received an Honorary Paul Harris Fellow when she spoke at the 2010 Rotary Convention.
